All advertising is subject to approval by the Missoula Figure Skating Club.

*(If multiple offers received- MFSC board will choose)	

Have businesses provide business card or other advertisement. We will accept paper copies to scan or computer files in JPEG format (send to bkmolloy@gmail.com). Please return payment and advertisement to Brynn.

Each advertisement must have the advertising form filled out to be accepted by the club. Please see and use the back of this form.

For each advertisement the MFSC skater will get 80% of the profit to put towards their participation in an MFSC Basic Skills, Group Number, or solo.

For example, if Brynn gets two business card ads (\$100) then \$80 will go towards her total showcase fee and she will be responsible for the remaining amount. Upon receipt of advertisement and payment, skaters' post-dated check for Showcase on Ice fees will be returned or pro-rated accordingly. If advertising exceeds showcase costs, the post dated check will be returned in full and excess advertising funds will go to costs associated with the Showcase on Ice. You will be thanked for your dedication to the club.
