**MISSOULA FIGURE SKATING CLUB**

**MEMBERSHIP INFORMATION**

Join Missoula Figure Skating Club (MFSC) and enjoy exclusive ice-time to pursue your love of figure skating!

**SKATING SESSIONS:**

The 2009-10 skating schedule has not been negotiated with Glacier Ice Rink (GIR) yet, but is anticipated to be similar to last year. Stay tuned for further notice on Club Ice Sessions for the upcoming season.

**MEMBERSHIP FEE:**

A portion of MFSC's **Membership Fee** is remitted to United States Figure Skating (USFS). **New** and **renewing** members must complete an MFSC Membership form. Each member will receive a membership card from USFS and each family will receive a copy of *Skating* magazine. Parents are encouraged to become MFSC members because your skater's progress and the success of our Club are dependent on the involvement of our adult voting members. **Both MFSC and USFS membership dues are paid annually and expire on June 30<sup>th</sup> of every year.**

**MFSC FINANCIAL DONATION:**

The 2008-09 skating season was a success for MFSC; however, expenses continue to rise (ice time, USFS administrative fees, storage unit, phone line, etc.) and MFSC would graciously appreciate any extra support. We ask that you please consider a donation of \$10 or more to start next season on the right foot. Thank you for your consideration.

**ABOUT MFSC**

MFSC is a non-profit corporation founded in 1997 to promote the sport of figure skating in the Missoula valley. A seven member Board of Directors manages the Club. Directors are elected by the voting members of the Club at the annual Membership Meeting, usually held in June of each year. Directors serve two-year terms and are responsible for attending monthly Board meetings, possibly serving in an officer position, such as President, Vice-President, Treasurer or Secretary, and volunteering their time during MFSC programs and events. We value our hard working Board Members and appreciate their commitment to our skaters.

**CLUB ACTIVITIES**

In 2008-09, MFSC purchased approximately 8 hours of ice time per week from GIR. 1½ hours of this time is set aside for our "Learn to Skate" Basic Skills skating program, 1½ hours is set aside for our Skating School programs and the remainder is dedicated to Club free skate sessions. MFSC teaches the United States Figure Skating's Basic Skills skating program. "Learn to Skate" Basic Skills skating lessons are Saturday mornings following Club ice. MFSC also offers an instructed Skating School on Sunday afternoons, presents three recital performances – "Fair Exhibition," "Holiday On Ice," and "Spring Skating Spectacular", presents Missoula's annual skating show *Showcase On Ice*, and hosts one or more USFS test sessions every year at GIR. Please contact a Board member for more information or to volunteer for any of the above MFSC programs or events.
