## MISSOULA FIGURE SKATING CLUB

# MEMBERSHIP INFORMATION

Join Missoula Figure Skating Club (MFSC) and enjoy special ice-time to pursue your love of figure skating!

### SKATING SESSIONS:

The 2011-12 skating schedule will be set in August 2011. Please refer to the calendar on [www.missoulafsc.org](http://www.missoulafsc.org) for more information.

### MEMBERSHIP FEE:

A portion of MFSC's **Membership Fee** is remitted to United States Figure Skating (USFS). This portion has increased for the 2011-12 skating season, however, will remain consistent for the next four seasons. **New** and **renewing** members must complete an MFSC Membership form. Each member will receive a membership card from USFS and each family will receive a copy of *Skating* magazine. Parents are encouraged to become MFSC members because your skater's progress and the success of our Club are dependent on the involvement of our adult voting, and potential board, members. **Both MFSC and USFS membership dues are paid annually and expire on June 30<sup>th</sup> of every year.**

### MFSC FINANCIAL DONATION:

The 2011-12 skating season was a success for MFSC; however, expenses continue to rise (ice time purchased, USFS administrative fees, storage unit, etc.) and MFSC would graciously appreciate any extra support. We ask that you please consider a donation of \$10 or more to help cover costs throughout the season. Your contribution is tax-deductible. Thank you for your consideration.

### ABOUT MFSC

MFSC is a non-profit corporation founded in 1997 to promote the sport of figure skating in the Missoula valley. A seven member Board of Directors manages the Club. Directors are elected by the voting members of the Club at the annual Membership Meeting, usually held in June of each year. Directors serve two-year terms and are responsible for attending monthly Board meetings, possibly serving in an officer position, such as President, Vice-President, Treasurer or Secretary, and volunteering their time during MFSC programs and events. We value our hard working Board Members and appreciate their commitment to our skaters.

### CLUB ACTIVITIES

In 2011-12, MFSC purchased approximately 8-11 hours of ice time per week from the Glacier Ice Rink. 1 ½ hours of this time is set aside for our "Learn to Skate" Basic Skills skating program, 1 ¼ hours is set aside for our Skating School programs and the remainder is dedicated to Club Freestyle sessions. MFSC teaches the United States Figure Skating's Basic Skills skating program. "Learn to Skate" Basic Skills skating lessons are Saturday mornings following Club ice. MFSC also offers an instructed Skating School on Sunday afternoons, presents two recital performances - "Holiday On Ice," and "Spring Skating Spectacular", presents Missoula's annual skating show *Showcase On Ice*, and hosts the Glacier Challenge competition and test session, every year at GIR. Please contact a Board member for more information or to volunteer for any of the above MFSC programs or events.
