

1.9.23 MFSC Minutes

In attendance: Cara Hiebert, Jil Dun, Pat Koster, Kathee Raup, Karie Hyslop, Sharon Hood, Erin Bray

Started at: 6:30

Agenda:

- Approve Minutes
- GoMotion update
- Bookkeeper Update
- Learn to Skate (Bring a Friend) update
- Diversity Project
- Showcase
- Final Test Session June 2
- Edge Team for Glacier Challenge (March 16, 17)

- Others - spring break ice, swag

Approve Minutes - Minutes from previous meeting approved.

Go Motion (Kathee):

Had a walk through, it does have the ability to keep track of hours.

Start with spring skating spectacular sign up, have to begin accepting payments within 90 days of paying for it (dec 23 we started, must have some income there by March 23).

Let's check with them on the summer break period where we will have no income.

Bookkeeper Update

The transition to Missoula Bookkeeper (Amy Esp) will start in April. We can turn on Quicken through TechSoup and we are approved to do so, this will save us on the yearly fee. Kathy will go ahead and purchase Quicken. We should look to see if there is other software on Techsoup that we might need.

Need to get officers on the bank account. Cara will check with the bank to see what needs to happen. Should be able to do this remotely.

We will confirm with Amy Esp that we would like to see a proposal to start in April.

Learn to Skate (Bring a Friend)

Great attendance, 75 registered with two weeks to go.

May need to add edit the application for adult signup (change "list your guardian").

Diversity Program

Skate Library

Karie will draft and distribute a project proposal.

Showcase

No one has proposed a show title or theme.

Stranger Things Theme - broader Theme - 80s

Moved and approved 80s as the show theme.

Pay the director of the show. \$250? Let's research and decide next meeting.

May need to move to May 6 so we don't conflict with graduation on 13th.

June 2

Virtual test session, please update the website to reflect this date. First, Jil will double check with Joe and GIR.

Glacier Challenge

Club will pay ice fee for Edge Team to participate in Glacier Challenge (moved and approved).

Spring Break Ice

Proposed: No Ice Monday, keep Tues/Thursday, plug in public figure skate Mon/Wed/Friday, nothing on Saturday.

Open figure skating every day? Jil will ask Kate to consider instead of having any club ice.

Swag/Drip

Teenage club members will go to stitch and pick out the sweatshirts that they want for MFSC hoodies.

Concluded at 8 pm
